

November 18, 2020

I invite you to spend three minutes with Rev. Judy Swahnberg and Rev. Anne Marie Holloway in these video messages to hear their reflections on the resilience of church ministries.

I am encouraged by their testimony, and the photographs of our church family will warm your hearts.

This Sunday, November 22, is Commitment Sunday for the Stewardship Campaign to support church ministries in 2021.

The ministry of the church has adapted this year and it is more important than ever in this difficult time. I invite you to prayerfully consider your financial offering to the church, and to join me and Betsy in making a meaningful commitment for 2021.

To submit your pledge for 2021, please review the letter from our stewardship chairs that arrived at your home, and return the enclosed commitment card to the church by mail.

Or, you can visit the church website and complete the online form to make a Stewardship Pledge:

Finally, if you haven't watched those video messages yet, be sure to treat yourself to a few minutes with these wonderful ministers to hear about the adaptive ministries of congregational care and safe gatherings of our church family.

Peace,
