*"You find out you've been looking at something this whole time, except you didn't really see it until just now."*

While we journey through this Advent season, when so many of our holiday traditions have changed, this year may be an opportunity to perceive the birth of Jesus in a new way.

As a gift for your reflection, I invite you to watch the final reflection in this Advent series based on the writings of Frederick Buechner.

If you want to revisit the first two, or catch up on this series all at once, the first two installments are posted below.

I am grateful to Kevin Groppe for "shepherding" this project, and to all who have participated as actors and readers.

Peace,

Rev. Matthew Wooster  
Senior Minister
