

SUNDAY, SEPTEMBER 12

*Church School and Youth Ministry Program Excitement :
New Interim Ministers! Ice cream! Backpack Blessings!
Outdoor Church School Fun! Comfort Check Survey!*

Mrs. T. and Rev. Anne Marie have been prayerfully planning ahead for an exciting and creative upcoming Church School and Youth Ministry program year! We are hopeful to be able to see your wonderful (masked) faces again as we make every effort to provide safe outdoor and indoor spaces for our children and youth to gather on September 12th (rumor has it that there will be an ice-cream truck too!).

There are some exciting changes in store for our children and youth ministry programs as we continue to navigate how “best” to hold faith formation classes and small fun gatherings for our families with children and youth during this Pandemic time.

To help us plan, we gently invite all our families to participate in this Family Ministry Comfort Check Survey: Click [HERE](#)! We thank you in advance for taking just a few minutes to let us know how we might best support our parents and children in the upcoming months ahead!
