

**Welcome!** If you are new, allow us the opportunity to answer your questions and provide any needed information. Please identify yourself to one of our ministers, sign the **Fellowship Pads**, and include your address, email, & phone number, so that we may send you our newsletter. After worship, join us for refreshments on the lawn.

**“In Christ there is neither Jew nor Gentile, male nor female, slave nor free.”** We invite people of every age, race, marital status, sexual orientation, means, ability and spiritual tradition to join with us in the love of God and neighbor: through worship, dedication to education and commitment to service.

**Large-print bulletins and hearing devices** are available from ushers.

**The North Narthex** into the Sanctuary is **fully accessible**. While our 1903 Meeting House and its many additions have many stairs, the building has been retrofitted with elevators and lifts. For example, if you exit the sanctuary through the door in the front to the left of the chancel, there is an elevator to access all floors.

**God loves the little children:** If your infant/child requires special attention during worship, please make use of the Adams Board room (exit at rear of Sanctuary, adjacent to the north narthex). There is a rocking chair, a flood of natural light, and speakers so you can continue to listen to the service.

**Child care for children under three** is available on the third floor in the Nursery (Room 356). During this time of Covid, children are invited to meet in Wallace Chapel at 10 am for worship followed by an outdoor church school experience. If you are new to us, an usher will gladly walk with you to Wallace Chapel.

**Please wear your NAMETAG.** There are temporary nametags available, and there is a sign-up sheet in the North Narthex, if you need one made for you.

## Stewards Support Board

This board oversees the financial and physical assets of the church.

We welcome members who share the desire to ensure the longevity of this institution, through thoughtful management of all of the financial, legal, and property maintenance matters. A willingness to contribute to a constructive dialogue is the only requirement; financial or legal backgrounds are not necessary.

The board meets quarterly, and may conduct ad hoc meetings during the annual budgeting period or at any other time that deliberations are required before the next scheduled meeting.

The board provides oversight of the financial and physical property of the church and its business matters, subject the direction of the Church and the provisions of its bylaws. Examples include preparing the annual budget, and managing the maintenance of all Church properties. The church's controller and church administrator provide support.
